Specialty Act Application

Name of Act (for program):

Performer names (if there are multiple):

Song Selection (if any) / Artist Name:

Length (4:00 maximum / 2:00–3:00 min. encouraged):

Description of routine (theme/props used/etc.):

- All acts must be previewed and approved by Student Director Steven Karschnia. He and Assistant Director Joshua Nelson will be previewing acts in Clubs **February 21–28**. Elite and Thursday Rec. Jugheads may schedule a preview with Steven before that week. Deadline to have your specialty act previewed and approved is **February 28**.
- At the time of your preview or before, you must provide a copy of your music to Paul (CD, mp3 on jump drive or emailed to jugheads@comcast.net).

Emcee Application

Performer names (if there are multiple):

Short description of emcee idea:

I don't have an idea yet but would like to tailor my emceeing according to the act I will be introducing. *(Note: Jugheads with a fleshed out idea or experience will be given priority.)*

- All Emcee Applicants are strongly encouraged to attend the Showcase MC brainstorming / training session on **Thursday, February 9, at 5:00pm**.
- Emcees will be assigned the act they will be introducing by March 2.
- All emcees will be required to attend the Emcee Preview/ Rehearsal Training on **Thursday, March 9, at 5:00pm**, or make arrangements with Steven to preview your emcee bit at Club.
- Emcees are an important part of the Showcase to keep the show moving along quickly. If you are selected to be an emcee, please plan to take time to find out information about the act you will be introducing and practice your script many times before show night.
- Note: Emcees will most likely not have time to rehearse on stage the night of the Showcase, which is why our rehearsal on March 9 is very important.

* Sponsored by The Edina Youth Juggling Association and produced by JUGHEADS Youth Juggling Company. Show date: **Friday, March 17, at 7:30pm**.
