Scott Harr: 1953-2008

12-year Jughead parent passes away

By now (10/8/08), our JUGHEADS community should be aware of the sudden death on 9/30/08 of longtime parent **Scott Harr** (pictured with daughter **Kelsey**, son **Ricky**, and wife **Diane**). If you'd like to read a detailed

account of Scott's life, go to <http://scottharr.blogspot.com>.

Scott was consistently a leading cheerleader for our company, especially in our formative years as his daughter Kelsey made the leap from our former childcare setting to our independent status and as Ricky joined as a pioneer 3rd grade Jughead. His photography, chaperoning of trips, and specific encouragement of and feedback to Paul's "Indiana Jones" role really helped to shape our present level of fruitfulness and effectiveness in the lives of youth.

While we celebrate the life of Scott and the cutting-edge JH involvement of his family, this unexpected whiplash of a lifestyle change for the Harrs gives us pause to reflect on how relationships, even those formed through a simple activity like juggling, can be of comfort and mutual encouragement in times of life & death. Thank you for praying for the Harrs and for reflecting on the brevity of our lives and the importance of our relationships.

Home Sweet Home

New agreement with new owners

Last month, a one-year Agreement was signed between Wooddale Church and JUGHEADS, LLC. This Agreement may be renewed for 2009-'10 pending approval from the church leadership. Here is a review of key notes about our restored juggling home:

1. Please use the south or southwest entrances for all JH-related foot traffic. Use the main entrance only in inclement weather.
2. Please use the parking lot for all pick-up parking/idling. We discourage any vehicle use of 56th Street.
3. Just beyond the gym, there are new bathrooms and a lounge for the enjoyment of parents and Jugheads alike.
4. With few potential exceptions, all of our juggling will take place in the gym and South Hall. No unicycling in the hallways and no wandering the building.

5. If you'd like to express gratitude to Wooddale Church for the grace of our continuing in the former Colony Park Church building, you may send an email through www.wooddale.org to Pastors **Tom Bell**, **Ken Gies**, or **Bruce McNeil**; Facilities Manager **Woody Franklin**; or any elders or staff.

Committed Club Assistants

Vital link to company depth, breadth

Simply put, our 15 "full-time" club Assistants are like junior coaches/employees. They work hard on their assigned day, earning tuition for their own club day. There's something special and necessary about having high school-aged veterans devoted to helping younger and/or less-skilled Jugheads, as it provides a multiplicity of coaching while giving a valuable life experience to the Assistants themselves. They take their jobs seriously, and they provide the vital link for how our company is able to sustain a membership as large as we currently enjoy. Here are the club Assistants for 2008-'09, including grade, JH year, current clubs in which they are members, and selected IJA accolades:

CLUB SPOTLIGHT: Friday Juggling Club Revamped, revitalized, real promise

In recent years, it became evident that there was no longer a need to separate our Elite Clubs along gender lines. By creating one co-ed Elite Club on Tuesdays, Friday Club became a roster “wild card.” Hoping for at least 10 kids, this club doubled expectations with its 21 members, 7-year age range, and abilities ranging from beginner through Elite! Beyond stats, this club has a sweet spirit in terms of focus and inclusive friendliness. Jughead graduate (Class of ‘07) and rookie Coach **Billy Watson** already is leading weekly workshops for the Friday Clubbers, and virtually every Jughead progresses every week. This is a club to watch for surprising collective abilities (even with its several rookies) by the time we reach Juggle Jam 11! Friday Club Jugheads are: 4th graders **Nicholas D., Ray S. and Liam T.**; 5th graders **Alayna B., Molly H. and Riga M.**; 6th graders **Drew S. and John S.**; 7th graders **Joey B., Emma C., Danny G., AJ H., Nick H., Griffin K., Siena P., Sydney P. and Ellen S.**; 8th graders **Hannah B., Tom G. and Thomas S.**; sophomore **Ben B.**; 7th grade Assistant-in-Training **Evan P.**; part-time junior Assistant **Stefan B.***; parent volunteer Peter Hedberg; sophomore Assistant **Brenden Y.***; Coaches **Paul Arneberg** and **Billy Waston**. *Honorary JH Officer.

Paul’s Platform: “Arneberg Austria Adventure”

This summer, Wendy & I went on a 2nd honeymoon to a picturesque location suitable for high adventure, cultural enrichment, and tranquil seclusion. Based in the small town of Altenmarkt im Pongau, Austria (an hour south of Salzburg), we enjoyed a full month of unplugging from cell phones, emails, and familiar faces & places in celebration of our marriage which is 15 years old and counting. As avid movie buffs, two of our favorite attractions were “The Sound of Music” tour and **The Eagle’s Nest** tour, the latter of which was featured in the epic mini-series “Band of Brothers” as the real-life climax to the ETO in WWII.

Going on such an adventure, I tend to apologetically qualify the expense and length by saying “We got a deal on our apartment rental” (which we did); “We’ve never been away for more than a week just by ourselves”; etc. Regarding

expense, we offer heartfelt, genuine, and humble thanks to you, our JH families, since a good portion of the trip was directly funded by your gifts from the past two Juggle Jams. Regarding length, this trip was a tribute to our marriage which, like any other, is not perfect but which deserves priority and investment above all our other earthly relationships.

It’s the very love that our marriage keeps developing that allows JH itself to exist and develop, for JH (and the hundreds of relationships fostered through it) would be undermined at best and destroyed at worst if the Arneberg marriage (and our corresponding complementary gifts) were weakened. Just as “no man is an island,” no marriage is an island. Wendy & I are so blessed to be able to grow in love together not merely for our own good, but for the good of the ministries to which God has called us—the chief of which is JUGHEADS Youth Juggling Co., LLC.
