Attach cash or check (made out to JUGHEADS) to registration below and return by Wednesday, December 5.

Additional Information:

Parents are welcome and encouraged to attend Jingle Jam and join in the fun, but due to supervision and space restrictions, we can't accommodate non-Jughead siblings. If parents would like to attend, there are a couple options:

- 1) Purchase an additional ticket for \$20, giving you a pass to the buffet and all-night arcade games.
- 2) Just come to hang out with other parents and if you'd like to order food, you can order from the restaurant/bar menu.

Please note that youth under the age of 16 are not allowed to be in the Mall unaccompanied by an adult after 4pm. So, you (or a designated adult) must plan on walking your child to and from the entrance of Sky Deck. At check-in, we will be giving each Jughead their pass for the evening. We will not allow re-entrance to Sky Deck once a Jughead has checked out unless accompanied by an adult. Jugheads 16 years or older must be prepared to show a driver's license or passport to Mall Security or will be escorted out of the Mall.
