INCENTIVES

Student leaders must treat their role like a job. With experience*, Assistants can earn tuition credit equal to the camp for which they work (i.e., most Assistants simply juggle in the other half of the day or accrue punches for other days). You may instead apply your time to the 10 hours of community service standard for Ultimate Club or general community service. **How would you like to be rewarded as a summer leader (Asst. or Volunteer)?**

Tuition for 2020 Summer Camps*

U.C. Lettering Standard

Volunteer/Community Service

**NOTE: First-time volunteers need to meet the minimum of working at five (5) camp mornings before earning tuition credits.*

MISCELLANEOUS

The SLT + Staff enjoy mutual benefits: The Staff depends on the SLT for lower ratios and diverse skills & personalities; SLT members gain valuable experience and often tuition credits. Paul maintains an SLT waiting list. **Why should *your* SLT app receive higher priority?**

(For more space, please attach an extra sheet or use the back of this application. ⇒)

*Your application will be reviewed and you will be emailed **by Wednesday, April 8** with the first draft of the 2020 Summer Staff Schedule. If you are chosen and you can't attend the training on Tuesday, May 26 (5:30 pm for 1st-timers; 6:00-7:30 pm for everyone else), you'll need to work one (1) extra half-day camp as a make-up. Thanks for applying!*
